

PHILMONT STAFF ASSOCIATION

SEASONAL STAFF SCHOLARSHIP APPLICATION

The purpose of the Philmont Staff Association's Staff Scholarship program is to enable staff members to perpetuate the Philmont spirit in their everyday lives, be it through continued service to Philmont and the PSA, the Boy Scouts of America, their local units, or their personal, academic, and professional communities.

Scholarships of approximately \$1,000 each will be made for the upcoming academic year; amounts may vary based on available funding and recommendations from the PSA Scholarship Committee.

Payment will be made in a single installment by the PSA directly to the recipient's educational institution, trade school, or training program on the recipient's behalf for qualified expenses for the current academic year (fall/spring/summer). Qualified expenses include costs related to tuition, fees, books/course materials, or institution-sponsored housing related to course/program work. Scholarships are void if not used for the stated purposes or in the allotted time frame as approved by and subject to the rules of the financial office of the institution.

This scholarship is non-taxable according to the Internal Revenue Service code. However, if funds are deemed taxable by any taxing entity, any and all taxes due are the responsibility of the scholarship recipient.

The PSA Scholarship Committee has the right to change or modify this program in any manner, effective immediately and without notice.
